

Key Stage 2 Residential Courses at Maes y Lade

At Maes y Lade Centre for Outdoor Learning we offer a curriculum-enriched personal development programme for KS2 students.

Situated in the Black Mountains of South Wales, we use the natural environment to provide new and exciting opportunities for personal development and learning outside the classroom. And by mapping the following activities to Key Stage 2, we can focus on specific areas of the curriculum:-

- | | |
|---|--|
| <ul style="list-style-type: none"> • Abseiling • Canoeing • Caving • Climbing | <ul style="list-style-type: none"> • Gorge Walking • Mountain Walking • Orienteering • Problem Solving |
|---|--|

Typically the residential experience will run for 5 days, allowing students to embark on a journey where they learn new skills in a challenging environment, try new and exciting activities, and learn to live and work with one another. And having an instructor dedicated to each group of 10 students allows us to provide a flexible and progressive programme of learning, tailored to the specific needs of the students.

We can also arrange day trips to the **Ironbridge Victorian Village**, the '**Big Pit**' coal mining museum, and **Hay-on-Wye** for you, adding a cultural twist to your visit!

These courses work well in both the spring and autumn terms; in particular they provide the ideal opportunity to re-enforce learning prior to Key Stage 2 SAT's.

For more information on all the Primary School programmes that we run at Maes y Lade please contact us on 01497 847287. Please note that prices may vary depending on course content and number of participants.
