

Team Development Programmes at Maes y Lade

At Maes y Lade Centre for Outdoor Learning we have over 25 years of experience in delivering team-building events and personal development programmes.

An outdoor training programme provides the perfect opportunity for individuals and organisations to develop their potential, in new and exciting environments. We believe that people learn best in 'experiential' settings like this, and by reflecting on and reviewing that experience the learning outcomes can have a powerful and lasting effect.

Combining exciting outdoor activities such as abseiling, canoeing, caving, climbing and mountain biking with challenging problem-solving and command-task exercises, our courses are designed to meet your specific needs.

Maes y Lade is situated in the Brecon Beacons National Park, in an Area of Outstanding Natural Beauty at the foot of the Black Mountains. Our purpose-built residential centre can accommodate up to 44 people in comfort, and having our dedicated staff team on hand means that you can focus on the experience away from the pressures and demands of everyday life.

So why not join us or an experience that will leave a lasting, positive impact on your personal and professional life. For more information please call us on 01497 847287 to speak to one of our course directors. Please note that prices will vary depending on course content and number of participants.
