

## Wild and Crafty and Out and Abouters

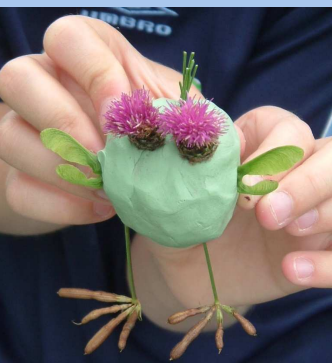

**Holiday activity days at our centres give children opportunities to have fun and be adventurous, while supervised by fully trained and qualified staff. Younger children and their carers are also provided for, with fun sessions in the outdoors to explore nature with the guidance of experienced teaching staff.**

At the Daws Hall Centre for Environmental Education, our activities take place on the 10 hectare nature reserve, offering woodland areas, meadows, streams and ponds to use and explore, surrounded by beautiful scenery.
