

A new residential experience at Mersea

The wait is over - Essex Outdoors Mersea centre finally has the residential facilities the site deserves!

Our newly constructed, ultra energy-efficient Scandinavian-style residential centre sits at the heart of the camp and can accommodate up to **44 users** at a time with 5 bunk rooms sleeping 8 in each and 2 twin en-suite staff bedrooms.

The centre is totally self-contained and has its own fully equipped, state-of-the-art **self-catering facilities** as well as **wheelchair accessible** toilets and showers. There is also a flexible communal living space to use for teaching, eating or relaxing, which includes all of the IT infrastructure you would expect of any modern classroom – **whiteboard, digital projector** and integrated sound and vision plus **Wi-Fi internet** access.

Ideal as a base for **multi-activity residential visits, corporate team development** and **field studies**, the centre sits in our quiet and peaceful 64 acre site, right on the estuary of the river Blackwater with its' diverse history and unique coastal habitats. We are within easy reach of the ancient town of **Colchester**, with cosmopolitan **London** and historic **Cambridge** both less than 2 hours away by coach.

We can also tailor a program of exciting and challenging **outdoor and adventurous activity sessions** for your group to try during your stay; choose from over 20 fantastic activities, from **Archery** to **Zipwire**, all delivered on-site by our experienced and enthusiastic instructor team.

For further details or to check availability, please call our bookings team at the centre
